# SWEET SENSATIONS catering

## *About Sweet Sensations*

Sweet Sensations Catering has been described by numerous clients as 'a breath of fresh air'; this is no coincidence because our dedication, skill and time have been injected into a service which is second to none.

Sweet Sensations cares passionately about its quality/service delivery. Our team boasts over 40 years of experience, which spans across all sectors and areas of the food industry.

## *The Sweet Sensations Catering Service*

Sweet Sensations catering understands the importance to customers of a slick, professional and well managed event. Individuality, presentation, professionalism and organisation are the key elements which make a Sweet Sensations catering event 'rise' above the average competitor.

We specialise in numerous service types which include; Weddings, Corporate lunches, Private parties, Birthdays, Kids parties and many more.

## *International Styles*

With a specialised and cultured team of well travelled chefs several of the world's most popular dishes and delicacies have been focused upon and are now available for customers to select during their specific event.

Some of the International dishes offered within our selection include; Italian, West African, Nigerian, Chinese and Indian.

## *Bespoke Services*

All customers are invited to utilise our simple but effective Bespoke system.

We understand the fact that many of our customers wish to maintain an influence or actual input during the planning of their event or menu requirement, our Bespoke service allows clients to really add their touch of personal individualism via our Bespoke website form or direct telephone contact.

## *Parties & Events*

Sweet Sensations Catering specialise on providing fun yet memorable events for all customers.

We provide a complete party service particularly for birthdays and private parties. We ensure success by extending ourselves in order to deliver a perfect occasion.

## *Our Staff Team*

Sweet Sensations Catering maintains a vastly experienced workforce which is split between chefs, front-of-house staff and quality control. Our staff structure has been erected to facilitate the largest requirements down to the most personal/minor events.

Each member of staff has navigated through our rigorous selection process which includes; security clearance, training programmes and hygiene text.

# Weddings

Sweet Sensations Catering provides a complete wedding catering package for all of our clients. You will be looked after from the moment you enquire to use our services, until after your wedding has taken place.

We ensure complete satisfaction by extending ourselves in order to deliver a perfect occasion. Our service even incorporates a wedding planning service to take care of the essentials.

# Equipment Hire

# Get a Quote

Many of our competitors try to avoid informing their customers of highly priced areas in their requests, this leads to expensive quotes.

Tell or ask us exactly what you want and we will explain/explain the financial implications.

At Sweet Sensations Catering we are excited to offer an extensive range of Catering Equipment for hire, we also provide Props and Event Equipment to enhance and compliment events such as weddings, conferences, private parties, etc.

An example of our range includes; chinaware, drinkware, cooking machines, table linen, and chocolate fountains.
